

Lawrence joined Comcast in June of 2010 as Technical Operations Technician and has moved his way up to the position of Technical Operations Supervisor in our Comcast Atlanta market.

Lawrence has managed over 150 employees in two of metro Atlanta's largest counties. Under Lawrence's leadership, over 60 employees have been promoted to leadership and other important positions within Comcast. Lawrence has also been a valuable asset in the community as he participates annually in our Comcast Cares Day and is one of the sponsors of our highly successful Comcast/United Way Basketball which is held annually to raise money for the United Way.
