

Shaw is currently leading our Strategic & Base Management teams for the Direct Sales Channel across the entire region and focus on delivering further market penetration in Government, Education, Medical, and Commercial as well as protecting and growing our revenue base.

Shaw began his career with Comcast knocking on doors and cold calling customers in our SMB channel. Over his 9-year career with the company, he has taken on a variety of leadership positions spending most of his time leading teams across 6 Southern markets. He has held 2 Board of Directors seats for Local Chamber of Commerce in the Atlanta area and has represented Comcast regularly at numerous events for sales initiatives as well as in a public speaking capacity. Shaw's commitment to elevating employees, customers and the Comcast brand makes him a regional leader in technology.
