

# VICKI WRIGHT HAMILTON

---

**SPEAKER | AUTHOR | TELEVISION PERSONALITY  
LEADERSHIP COACH | CORPORATE STRATEGIST**

---

For nearly three decades, Vicki Wright Hamilton has had the privilege of serving an array of high-matrixed organizations across the country. Sitting as a senior-level executive and serving as a visionary advisor, she has an eye for operational excellence that balances people, processes, and technology. Mrs. Hamilton delivers consultation services on a number of corporate issues which include but are not limited to:

- Transformational initiatives
- Change management
- Leadership development
- Employee relations
- Regulation
- Compliance issues

Recently, Mrs. Hamilton has set her sites on sharing her depth of personal and professional experience on television. Vicki is the host and creator of "**Hidden Stories, Healed Now**" and "**Strategic Minds: Making Money Moves.**" Both shows are featured on local television in the Atlanta, District of Columbia, and California markets. The show is also available for viewing on Vicki's YouTube channel and all streaming services. Mrs. Hamilton is also a best-selling author her book "**Game Face:** takes a deep dive into her experience as a corporate executive.

Mrs. Hamilton has helped technology companies conceptualize, design, and execute innovative technology plans which have yielded a minimum ROI of \$20M+. Her area of specialty encompasses strategic development and execution of innovations for technology companies across multiple disciplines. She partners with executive leadership to develop a broad range of organizational improvements through risk mitigation, cost management, and training and development.

Mrs. Hamilton is a sought-after keynote speaker. She shares her signature strategies and experiences with thousands each year speaking across the country on various platforms.

### Speaking topics include:

- Organizational Change Management
- The Power of Inclusion
- Game Face: Managing Your Authentic Self at Work (based on her book)
- Talent Today. Liability Tomorrow (Multigenerational Workforces)
- Leadership Development
- Fostering Strong Employee Relationships
- Corporate Culture & Communication

Vicki prides herself on having the natural gift of advancing technology organizations by working with their current management to develop a specific strategic plan of action to execute and achieve their goals. Mrs. Hamilton is a change management expert with a solid track record of changing lives and taking organizations to another level. Simply put, she works with technology organizations that need a proven strategic advisor to join their executive team to help bring clarity to their goals, develop a strategic plan of action so they can execute to achieve their company's strategic vision.
